

The UK's All-In-One Banking Platform Built for Deputies, Appointees and Direct Payments

Crown Commercial Service Supplier

- ✓ Quick to open inclusive bank accounts and money management reporting
- ✓ FSCS protection and enhanced fraud detection system
- ✓ Smarter Spending with Carer & Shared Cards

Monika provides

Bulk Payments

Make bulk payments to multiple clients or carers in one go.

Snap & Store

Quickly capture and attach receipts and documents directly from your phone.

Sweep Technology & Transaction Alerts

Auto-return of unspent funds with suspicious activity alerts.

Current Account Switch

Switch in your old account to us – and seamlessly bring your balance, existing direct debits and standing orders to us.

Document Sharing, Secure & Instant

Store and share files, letters, or statements—all in one place.

Make Instant Emergency Payments

Send emergency payments via Post Office, PayPoint, or PIN4 — with optional cardless ATM withdrawals.

The Money Carer Card

The original and market leading bank card for vulnerable adults and their carers.

Lost card? No problem

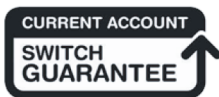

Send emergency payments via Post Office, PayPoint, or PIN4 — with optional cardless ATM withdrawals.

Built by People who Understand the Role.

We manage the finances of thousands of vulnerable people across the UK, so we know the real-world challenges Deputies, Appointees and those managing a Direct Payment face every day.

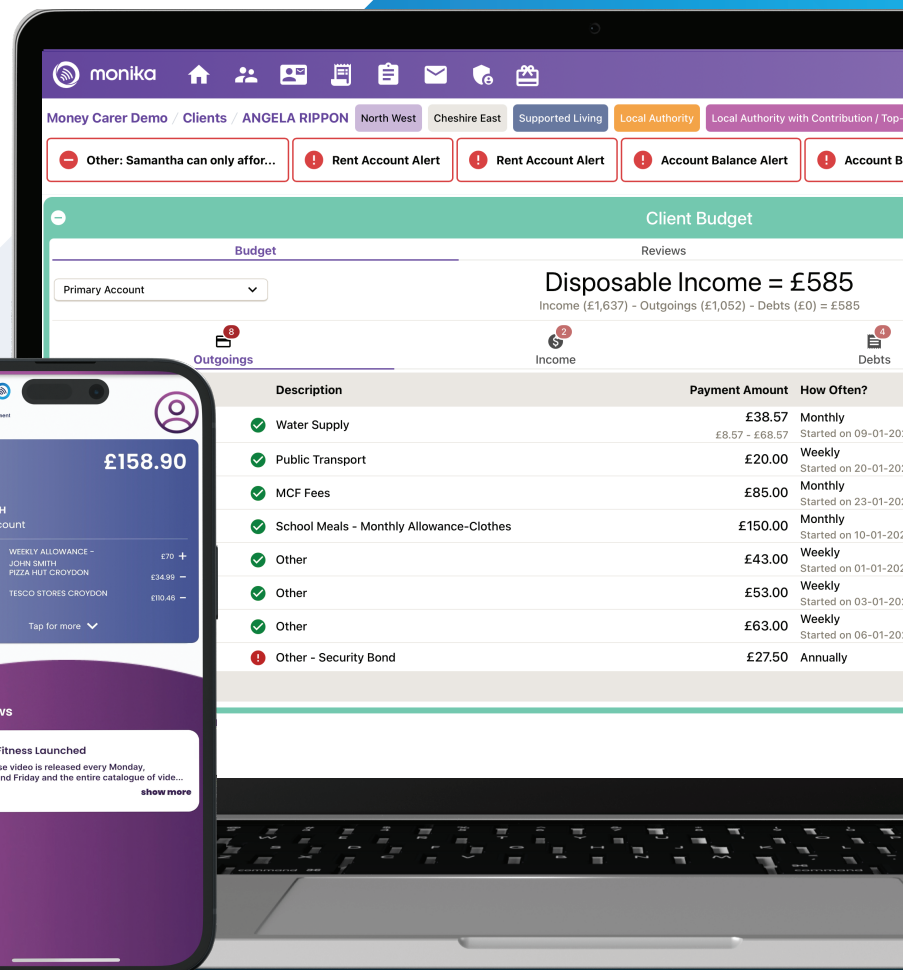

That's why we built Monika.
